

Welcome to our Shipley Area School Uniform Support Welcome Pack!!

I am Dawn Coleman, the Founder of the initial independent project in 2018 which was taken on board by Shipley Salvation Army in 2021 when it became too big a project to be managed as an independent volunteer. I am now employed in the position of Community Assistant by The Salvation Army, with the role of leading this project on a day-to-day basis. I have a background in Early Years & Primary education, Family Support and Community work, and completed a BA Working with Children, Young People & Families 2017-2020 whilst developing this project alongside. I am also the Deputy Safeguarding Lead at Shipley Salvation Army and therefore have a current & working knowledge of Safeguarding and working with vulnerable families which is vital in this role.

We are a local project led by Shipley Salvation Army. We have been operating in the Shipley, Windhill, Wrose, Idle, Thackley and Baildon areas since 2018, and expanded to central Bingley in 2024, however we have covered some Secondary schools beyond these areas since 2018 due to the pattern of attendance within these areas. We know that some schools are beginning to offer their own uniform schemes as we already work alongside some schools that offer this. We find between us we reach more families than working separately and usually can cover each other's gaps in stock and barriers to accessing for some families.

We are a FREE UNIVERSAL SERVICE, open to all families, with no cost to schools or services involved. We do accept donations from families towards items if they choose, however this is on a pay as you can afford cash basis only and many of our families do not donate any monetary contributions. We also offer a confidential referral service via schools and other organisations, which again is a completely Free Universal Service with no criteria to meet or evidence required. The two main Salvation Army Mission Areas which we operate under are – 'To serve others without discrimination' and 'To care for creation', which underpin everything we do at our project and enable us to offer a service with no access criteria needed. We find this helps some families to access us without feeling uncomfortable as they are able to focus on our environmental goals rather than disclose their financial situation.

Although the areas listed above are our main focus, we do provide support to families and schools across the whole Bradford district. We only keep logo for the schools within

this area, mainly due to storage & usage patterns. We do not have any access requirements so we have many families coming to us at our 'shop' for generic items including non-logo uniform, shoes, coats, stationery, football boots etc. We accept referrals from schools & services across Bradford, we just do not have logo items available for all schools in the district.

Since 2020, we have had an increased demand on our services year on year, therefore in 2024 we were able to gain funding from The Salvation Army for a paid role of Community Assistant to take on leading the project. This has now given us the capacity to rebuild and strengthen our links with schools and services to ensure as many families as possible are aware of and able to make use of our services.

I hope that all of the information included is useful, and if you would like to find out more about our services and how we can support your school or organisation please do get in touch. I am happy to visit schools and services to discuss our offer further, as well as future possibilities and other ways we could provide support. We always appreciate any advance warning of uniform updates or changes where possible from schools.

Thank you for your time, I look forward to supporting families together going forward,

Dawn Coleman

School Uniform Support Information for Families

2 Westgate, Shipley, BD18 3QT

Who can use us?

Anybody - we have no access criteria & ask no questions.

How much does it cost?

Pay as you can afford - no minimum charge.

Why do people use us?

Environmental reasons	Extra school moves	To help reduce our surplus stock
Cost of living	To help fund our project	Sensory needs

How does it work?

Call into the shop or send us a message via Facebook or email - we just need to know the school name, which items you need & what sizes.

Or you can ask school/any support service to fill in a confidential referral form & we will pass the items on to them to get to you.
