

	Term 1		Term 2		Term 3	
Key focus	Introduction to A level Art	Foundation skills	Personal Project	Personal Project	Personal Project	Personal Project
Purpose of the scheme	To introduce students to a range of concepts and techniques and to be able explain what they mean and how to implement them.	To introduce students to a range of concepts and techniques and to be able explain what they mean and how to implement them.	Students will now work on the personal project. This will be 60% of their overall grade.	Coursework (60% of total grade)	Coursework (60% of total grade)	Coursework (60% of total grade)
Pre read (suggested)	Acrylic Painting Techniques - YouTube	WATERCOLOR TUTORIAL // How to Paint Waves - YouTube	WATERCOLOR TUTORIAL // Wet on Wet Techniques - YouTube	5 Ways to Fill Your Sketchbook to Improve Your Art Skills! - YouTube	12 Drawing Exercises to Improve Your Art Skills! Warm-Up Practice - YouTube	Tips for Ink & Watercolor Sketching! STEP by STEP - YouTube
Key knowledge and skills	Students will complete a range or art techniques and a mixture of disciplines.	Students will begin to specialise in their chosen area. This could be painting, 3D, pencils etc.	Students will choose a theme for their personal project that interests them. They will now begin to look at artists that work in that theme.	They will complete photoshoots in their chosen theme. They will use Photoshop to edit these with the help of their class teacher.	Students will continue to add to their photoshoots and complete more edits in their artist's style. They will be completing work in their desired medium.	Students will continue to add to their photoshoots and complete more edits in their artist's style. They will be completing work in their desired medium.
