

Year 7 – Fantasy Animals

Draw an insect of your choice that has been captured in the jar.

Make sure it has a range of different patterns .

Use biro or pencil only.

A hand-drawn beetle with various textures. The beetle has a tiger-stripe pattern on its back, a leopard-spot pattern on its legs, and a dotted pattern on its head. Handwritten labels with arrows point to these areas: 'FINE DETAIL' points to the head, 'ANIMAL TEXTURES' points to the tiger stripes, and 'WORKING TO THE EDGE' points to the bottom of the beetle. To the right of the beetle is a grid of 12 small squares, each containing a different texture pattern like stripes, spots, or swirls. To the right of the grid is the text 'Fantasy ANIMAL' written in a stylized, vertical font.
